Important information about Xfinity services in your community.

Dear Resident of Peppertree Bay,

We recently teamed up with your community to bring you the best in entertainment and reliably fast Internet from Xfinity. Starting 7/8/20, residents of Peppertree Bay are eligible to receive the following services:

Xfinity TV

Digital Starter and HD programming
1 X1 HD TV Box and 2 HD TV Adapters

Xfinity Internet

Performance Internet with download speeds
up to 100 Mbps
1 Wireless Gateway

We are reaching out to share the steps Xfinity Communities is taking to support you and your community amid concerns about Coronavirus. Although we would normally provide professional installation, concerns about COVID-19 have forced us to make a temporary change. Instead of an in-home professional installation, we will schedule a home drop-off appointment so that one of our technicians can deliver your equipment, set up your Wireless Gateway and provide up to three Xfinity TV boxes.

Please give us a call at 1-800-xfinity on or after 7/8/20 to get started. And for more information about our response to COVID-19, visit [xfinity.com/prepare](https://www.xfinity.com/prepare).

We look forward to serving you!

Sincerely,

Your Xfinity Communities Team
